EXPERIENCE

Image Artist. NIKE, Beaverton, Oregon December 2018—Present

- Supports cross-functional Nike Value Apparel, a collaborative and dynamic team with ever-evolving processes
- Creates and manages Family Files, averaging 400 Family File styles per season
- Each Seasonal cycle, created seasonal colorways by applying new color blocking to style line art
- Builds and leverages tools to present complex data visually, address style issues, and offer solutions
- Extends support to DPC Studio team using the Wrike application to accomplish tasks

Production Artist. Northwest Software: NIKE, Beaverton, Oregon August 2017—December 2018

- Supported cross-functional Nike Factory Store Rebuys team by creating and managing NFS family files
- Created new Family Files for NFS with styles retrieved from previous season inline family files using PIM
- Each Seasonal cycle, created seasonal colorways by applying new color blocking to style line art
- Constructed and provided grid pages to team that reference styles and colorways to be adopted or carried over.
- Extended support to Nike Factory Store Graphic Tees through Family File creation and management

Graphic Designer. Creative Circle: Fortis Construction, Portland, Oregon March 2017—April 2017

- Tasked with rebranding Fortis Construction corporate identity in relation to ongoing and new informational documents
- Produced range of corporate identity rebranding pattern options with cohesive color palettes and elements in Photoshop, Illustrator, and InDesign
- Setup a variety of documents with rebranding elements as a template for current and future projects
- Completed projects with applied rebranding elements such as Divider Tabs, Closeout Covers, and USB keychain tags
- Layout and typeset additional projects such as Corporate Overview and Employee Development guide in InDesign

Graphic Designer. Express: NTP-STAG, Wilsonville, Oregon September 2015—February 2016

- Assisted in layout and typesetting sections for 1,000 pg. annual catalog NTP-STAG 2016 Big Book amid company merger
- Communicated with team members in other distribution centers via Robohead to achieve goals in a variety of projects
- Layout, design, and edit advertisements for placement in NTP-STAG Connect monthly catalog Dec-Mar to showcase vendor products
- Coordinated NTP-STAG 2016 Expo Campaign branding and developed promotional materials
- Created covers for present and future catalogs and magazine projects
